PLEASE NOTE there are 10 recycling service days in Delta Township. This guide applies to the map on the reverse side. For all other areas, please refer to the map at www.grangernet.com/recyclingguides.

Your recycling collection is referred to as “single-stream” or “comingled” recycling. This means that all recyclables go into your recycling tub or cart together and do not need to be sorted. Materials are sorted at a single-stream sorting facility after collection.

*Although we accept glass in street-side collections in your area, due to potential injury to associates during the collection and sorting process, we would prefer that glass be recycled at one of our drop-off centers. Visit the Granger website at www.grangernet.com/pdfs/granger_glass_recycling.pdf for a listing of the drop-off recycling locations for glass.
